Dedication

Penny Vermillion Bruce exemplifies the better aspects of personality and purpose associated with excellence in teaching. Each day she enhances the lives of her students. She is friendly, concerned, and understanding. She makes her students feel important because they know she believes in them. She brings enthusiasm to the classroom and a genuine interest in inspiring students to do their best.

From 1970 to 1973 Mrs. Bruce served as sponsor of the yearbook and was much admired for her leadership and courage. Not many teachers would have put up with the struggle of selling ads, the tension of meeting deadlines, the frustration of financial uncertainty, the hours of extra time and worry, and all the other aggravations that are part of publishing a yearbook. It takes a rare type of person to do this without sacrificing the primary responsibilities of teaching and the constant concern for each student's progress. Mrs. Bruce is such a person.

It is with gratitude, appreciation, and considerable pride that we dedicate the *1974 Phoenix* to Penny Vermillion Bruce.

Live each day
to the fullest.

ach Smith,
Aside from knowledge
need, perhaps the 2nd
st thing is that we
are a common name.

Battle then lost to Richlands by the heartbreaking score of 24-20. The John S. Battle homecoming was spoiled by the invading Scarlet Hurricane of Marion, 24-12. The Trojans dominated the Golden Wave of Grundy 36-6, but received losses at the afternoon game against Graham and the final game of the year against the Gate City Blue Devils.

The Junior Varsity football team was composed of freshmen and sophomores who previously had not seen much football action. They often faced teams who were larger and stronger, but they compiled a very respectable 4-4 record. What they lacked in experience, they made up for with considerable hard work and determination.

The highlight of the year was the victory over Gate City, 16-14.

Cross Country is a new sport to John Battle and to many schools in the Southwest District. Mr. Randy Smith, the coach for cross country, is a recent graduate of Appalachian State University.

Cross Country is a sport involving ENDURANCE RUNNING. The members of the team ran 5-8 miles everyday in practice and 2.5 mile courses for meets. The team lost 4 meets to stiff competition during the course of the year, but closed its season with a third place finish in the District meet.

The best individual performance was turned in by Jimmy Smith, whose consistent season closed with an individual trophy for third place in the S.W. District meet. Lettermen for the team were Smith, Jeff Kiser, Vernon Corum, Mark Parsons, Mike Grubb, Paul Miller, Sandy Nash, Kenny Robinson, and Bob Harmon. Unique to Coach Smith's team were two girls, Libby Little and LaFawn Frohling. Coach Smith made history at Battle by having the first cross country team and also the first sport in which boys and girls have participated and competed together.

The Girls' Varsity Basketball Team, commonly known as Gotham's Goof-offs, spoiled a perfect record by beating Holston High School. They set a school record by scoring four points for the opposition.

Mrs. Gotham, dean of the Trojan coaching staff, came out of retirement to guide their valiant efforts. Trick-knee Lagerholm was captain of the dribbling dandies. Scarecrow Petty and Fingers Robinson shared the position of co-captain. The team was managed by Nervous Nunley and Hoppy Hagy.

Unable to keep their hands off the other players, the team made numerous personal fouls. Baby Parsons crawled through the legs of the opponents just to find Duty # 3 and Gally discussing their two-timing boy-friends. Leggy Neeves and Mischievous Owens continued to get the ball by clobbering the opponents. Finley and Meredith collected splinters as Wrongway Holden made a lay-up for the other team.

All in all, the highlights of the season were Mrs. Carroll's bus tours through Southwest Virginia.

The Boy's Varsity Basketball Team finished the season with a record of 5-17. The Trojans, coached by Charles Wysor, showed determination and courage and continued to do their best throughout the season. Captain Mark Draper and Co-Captain Craig Elsea helped keep their team's competitive spirit alive. Steve Hurley lead the way to the team's first Southwest District win in three years by being high scorer in the game against Richlands. The team showed promise during the season and improved with every game.

The John S. Battle Eighth Grade Basketball Team won the Round Robin this year, an all-county tournament held at Abingdon. During a second tournament, Battle placed second.

The Eighth Grade Basketball Team was limited in the number of games it was able to play this year because of conservation measures resulting from the energy crisis. If these young men continue to progress as they have this year, Battle's basketball future should be bright!

Mike Osborne was the only wrestler that completed the season with an undefeated record. Larry Harless had a 9-0-2 record, and Mike Bell had an 11-2 record. Determination of the team to do its best was shown throughout the Regional Wrestling Tournament resulting in two first place winners. Mike Osborne placed first in the 98 lb. weight class while Larry Harless placed first in the 105 lb. weight class. Mike Bell placed second in the 138 lb. weight class, and Gilmer Meade placed third in the 155 lb. weight class. We are proud of Coach Tallman and his wrestlers!

The Girls' Track Team has a winning season with a final record of 5-2. The team was coached by Miss Julia Carmichael and Mrs. Lana Lemons. The team overwhelmingly won against Central, Chilhowie, Marion, Abingdon and Holston. The team placed second in the Regional Track Meet losing only to Patrick Henry. Jo Bentley, Lyn Sheffield, Kathy Koch, and Lynn Neeves qualified for the State Track Meet. Jo Bentley qualified in the 100 yard dash, Kathy Koch qualified in the shotput, and Lynn Neeves qualified in the 880 yard run. Lyn Sheffield attended the State Meet by winning the 50 yard dash, the 100 yard dash, and the High Jump in the Regionals. Lyn Sheffield won the high jump for the state with a 5 feet 1 inch jump. The season was a success for the Girls' Track Team.

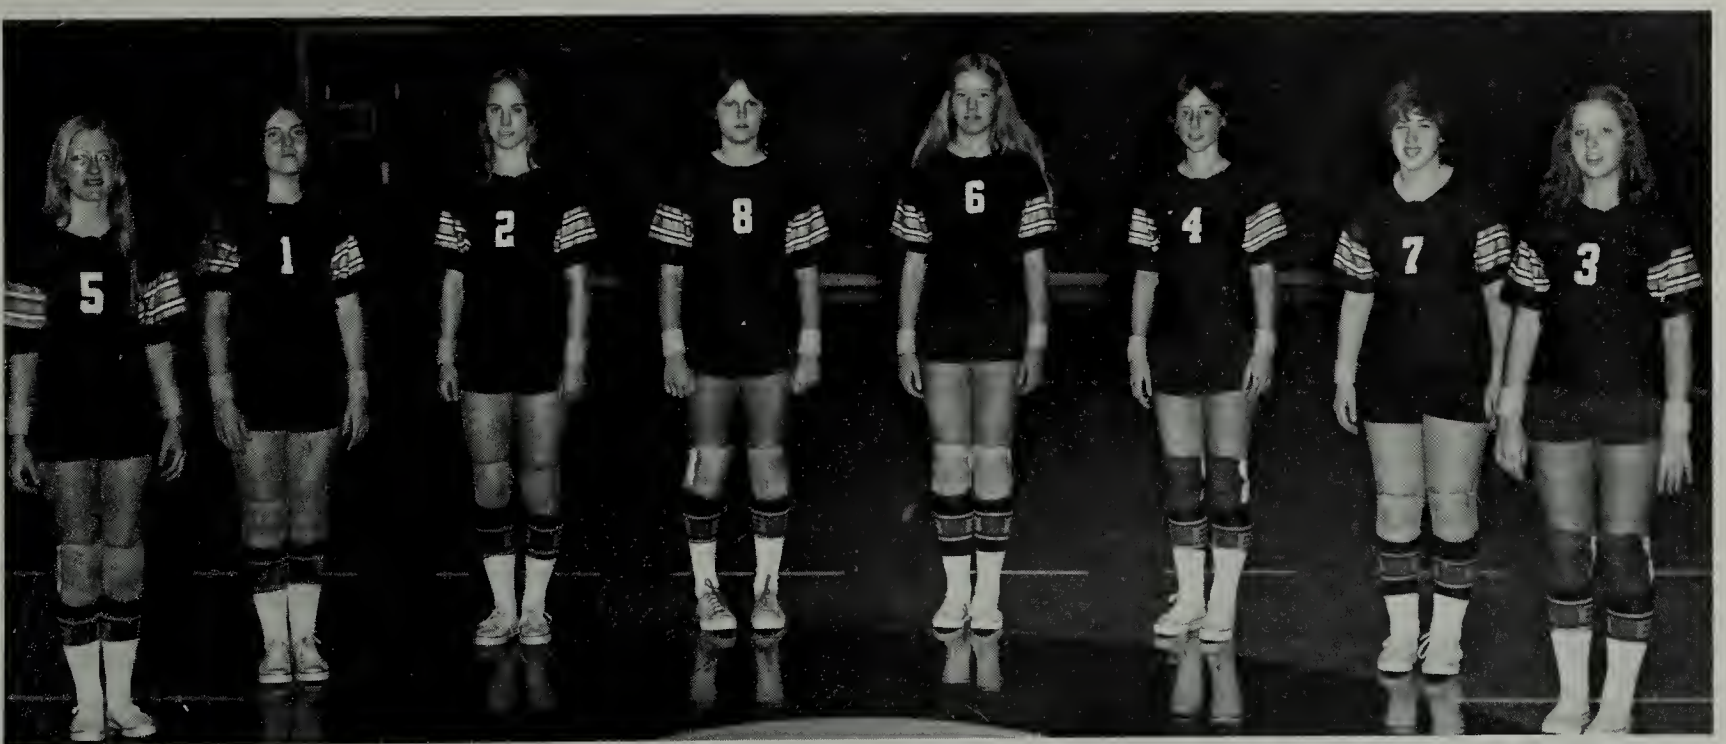

Managers Sharon Halstead and Becky Nunez.

Lisa Benfield, Captain, and Karen Balthis, Co-Captain.

John S. Battle reorganized the Girls' Volleyball Team this year under the leadership of Ms. Julia Carmichel. The Volleyball Team was lead by Lisa Benfield, Captain, and Karen Balthis, Co-captain. Practice began at 7:00 a.m. for the eight girls who were interested enough to play, but due to the energy crisis the schedule was curtailed. On three occasions against Holston, Abingdon, and Patrick Henry high schools, Battle placed last. Battle continued its winless record by placing fourth once more in the County Tournament. Hopefully more girls will be interested in trying out next year, and the team's record will improve.

The National Honor Society endeavors to create enthusiasm for scholarship, to stimulate a desire to render service, to develop character, and to promote leadership within the students of John S. Battle.

The main project each year is the awarding of a two hundred dollar scholarship to an outstanding National Honor Society senior. This year the National Honor Society sold cartoon characters to raise money for a special school project. Bulletin boards are put up to honor new members of the National Honor Society and the honor roll students, as well as a special bulletin board depicting some facet of school spirit. Welcoming new National Honor Society members is done at a special induction ceremony with a reception to honor the new members and their parents afterwards.

N.H.S. sold plaques as major fund raising project.

The Drama Club of John S. Battle High School was organized in September of 1973, under the sponsorship of Mr. Bill Phelps. The purpose of this organization is to develop the full potential of its members as individuals and as artists and to promote an appreciation of and an interest in theatre in the school and the community.

The club's major activity was the presentation of a full season of theatrical offerings to the student body and the public. This offering consisted of a three-act melodrama, a reader's theatre production, a night of one-acts, and a music comedy. These productions provided club members with experience in the total theatre process: acting, design, rehearsal, production, stagecrafts, and play attendance.

An award-winning one-act play was presented by the Drama Club at the Southwest District One-Act Play Festival, which was held at Virginia Intermont College. Throughout the year club members enjoyed attending community theatre, visiting the drama departments of several local colleges, and participating in drama workshops. Membership in the Drama Club during the 1973-1974 school year proved to be a rewarding and interesting experience.

The Speakers Bureau is an organization of young men who participate in school and community events where their talent for speaking can be expressed. Many activities highlight the year for the Bureau; these include participating in the V.F.W. Contest, the Optimist Club contest, and speaking before several area civic clubs. The Speakers Bureau is sponsored by Mr. Jack Garland.

The Debate Society has as its chief aim the furthering of the skills of reasoning, research, and extemporaneous speaking. It builds the speaker's confidence in his capabilities in public speaking and his questioning of mankind's ideas and accomplishments. The Debate Team, sponsored by T. R. Stokes, participated in area debates with surrounding high schools and in the Regional Debate Tournament.

The debate topic for the 1973-74 school year was: Resolved: That the Federal Government should guarantee a minimum annual income for each family unit.

Phoenix Staff

The 1973-74 Phoenix Staff was proud to have the largest staff ever working toward one goal, a great yearbook! Our new sponsors, Mrs. Pauline Gotham and Mrs. Janet Derting, and our new members learned the "ropes" with plenty of help from dedicated "veterans" who survived last year and came back for more.

Ads! They have caused staff members to pull their hair and ordinarily calm sponsors to get frantic! Our beloved editor, Lola "Bunny" Davidson, gave us tips on selling ads, such as the importance of being "positive" in our approach. But how can a person be positive in his approach when he has been left waiting for thirty minutes only to be told, "We don't want an ad this year. Come back *next* year."?

Yearbook publishing has its ups and downs like everything else. The main thing we had to learn was how to cope with the calm before the storm and the storm itself — three days before a deadline.

We carried on old traditions like the Miss Phoenix contest and decorating for homecoming, but we started some new ones such as the "Sign-the-Annual" page in the back of the yearbook.

Those few people on the staff who were late getting their assigned pages done suddenly wished they didn't hold such important positions on the staff. "Where are those missing pages? *You* are responsible!"

Rhonda Stark, Club Editor; Becky Neese, Sports Editor; and Jennie Houser, Faculty Editor, had their problems keeping up with dozens of pictures. Ah, but how about the class editors who juggled over two hundred pictures each? We would have been in a mess without people like Carla Jessee, Eighth Grade Editor; Teresa A. Williams, Freshman Editor; Debbie Singleton, Sophomore Editor; and Bunny Davidson, Junior and Senior Editor. Varina Woodward took care of any ads we managed to drag in, and Janet Hensley coped with and finally conquered the Student Directory. Our typist was Brenda Sandefur, our photographer was Bev Long and Pam Jessee, and our business manager was Karen Stine. Jennie Houser, our Assistant Editor, tried to learn everything about publishing an annual in the short time between deadlines and managed to get thoroughly confused in the process. Oh well, you can't win them all. We can't forget those staff members such as Becky Leonard, Theresa D. Williams, Cindy Gibbons, and Janet Otey who did more than their share of the work.

All in all, this has been a year we couldn't forget even if we wanted to!

Members are: Doris Clendenen, Terri Colbert, Susi Counts, Donna Crabtree, Bunny Davidson, Bruce Denton, Craig Elsea, Carol Finley, Sherry Freeman, Freddie Garrett, Cindy Gibbons, Sharon Halstead, Janet Hensley, Jennie Houser, Leisa James, Carla Jessee, Pam Jessee, Debbie Johnson, Rhonda Jones, Becky Leonard, Candi Maiden, Pam Meredith, Monica Mosberg, Rieky Neese, Mary Reynolds, Brenda Sandefur, Debbie Singleton, Rhonda Stark, Karen Stine, Teresa Williams, Teresa D. Not pictured: Marsha Snader, Secretary-Treasurer; Kent Tignor, 'Parliamentarian'; and Loretta Duckett, Darrell Slagle, and David Stallard.

The Library Club is composed of students taking an interest in the library and the facilities the library has to offer. Many of the members volunteer to assist the librarians, Mrs. Elaine Dury and Mrs. Shelah Gregg, during their study periods. The girls are responsible for keeping books, cards, and magazines in order; the boys work in the audio-visual department helping teachers use the available equipment. Besides the usual duties of the members, the club held bake sales, provided Christmas gifts for two children at the orphanage, hosted the faculty tea in December, had a Christmas Party for the members, presented a film for the student body and planned a picnic for the spring. A major portion of the club funds are used to improve the library and make it a more pleasant place to work. The objectives of the club are to improve the school library and audio-visual service, to arouse further enthusiasm for books and reading, and to encourage interest in the library profession.

Library Club member David Necessary (*LEFT*) shelves books while student Brenda Pruitt (*RIGHT*) enjoys the library's facilities.

French Club meetings hold attention of Matt Savinsky.

The French Club wishes to serve both the school and its individual members to the best of its ability. In order to do this, we are planning to have guest speakers who are either natives of France or who have traveled or studied there recently. We hope to be able to have an assembly for the student body sometime this year.

The French Club is financed by dues for club membership and by the proceeds from bake sales. We use the money to help a needy individual or family at Christmas and to help finance our annual picnic. We hope to make enough money to purchase something for the school.

French Club Officers are: Mark Draper, President; Matt Savinsky, Vice-President; Varina Woodward, Secretary; Sharon Dupont, Historian; Debbie Keith, Chaplain; Karen Stine, Parliamentarian; Teresa Williams, Treasurer; Phil Yon, Sgt-at-Arms; Bruce Denton, Reporter; Mrs. Pless, Sponsor. Bible Club

The Bible Club, organized in 1960 to promote Christian principles and Christian fellowship among the students, has a 1973-74 membership of more than 250 and is sponsored by Mrs. Jean Collins and Miss Rhoda Craig. Any interested student is eligible to join. The club has no membership dues; however, a free will offering is received at each meeting.

Many different churches are represented by the membership, and members are happy to have their ministers as guest speakers at club meetings. These ministers have provided some very fine programs, especially musical programs.

A Bible Club member leads the devotions at each PTSA meeting.

A highlight of each club year is the annual Santa Pal project. In addition to the regular offerings, special offerings are received for this project. Members also participate in bake sales to raise funds. A committee of club members purchases, wraps, and delivers the gifts, which consist of clothing, food, toys, and a Bible or Bible story book.

Pep Club

Pep Club members make signs to boost school spirit.

The Pep Club, sponsored by Mrs. Merry Jennings, is open to all students who want to raise school spirit and to encourage enthusiasm for games and support for Battle's athletes. The members demonstrated their loyalty and spirit by sitting together in a Pep Club section at home games, by painting posters for most home games, by presenting skits at pep rallies, by selling spirit buttons, by contributing to athletic-related projects at Battle, and by taking a bus to an away football and an away basketball game.

Cheerful Sponsor Ms. Martin.

The John S. Battle Chapter of Future Homemakers of America is an active organization. This year our Program of Work Emphasis was "Impact For Action". The chapter has Federation, State, and National affiliation. Darlene Holden represented Battle in the Smywasco Federation as Song and Recreation Leader. Some of the year's projects included an after-game victory dance in October. In February the Crafts Fair was held. Members submitted projects which were judged. All of the club members were actively involved in the Degrees of Achievement Program. Each girl was responsible for carrying out individual, home, school, and community projects. Our major concern this year was "Spreading Happiness Through F.H.A.".

The Student Action for Education is a service club. The outstanding activity is Teach-In Day in the elementary schools. This takes place in April. Other services offered by the club are teacher aides, guides and tutors. The club sponsors a Santa Pal, and sends Christmas cards to retired teachers. This year the club plans to give a scholarship to a Senior SAE member.

The FFA, one of the strongest and most active organizations at Battle, received recognition as one of the outstanding chapters in the country at the National Convention.

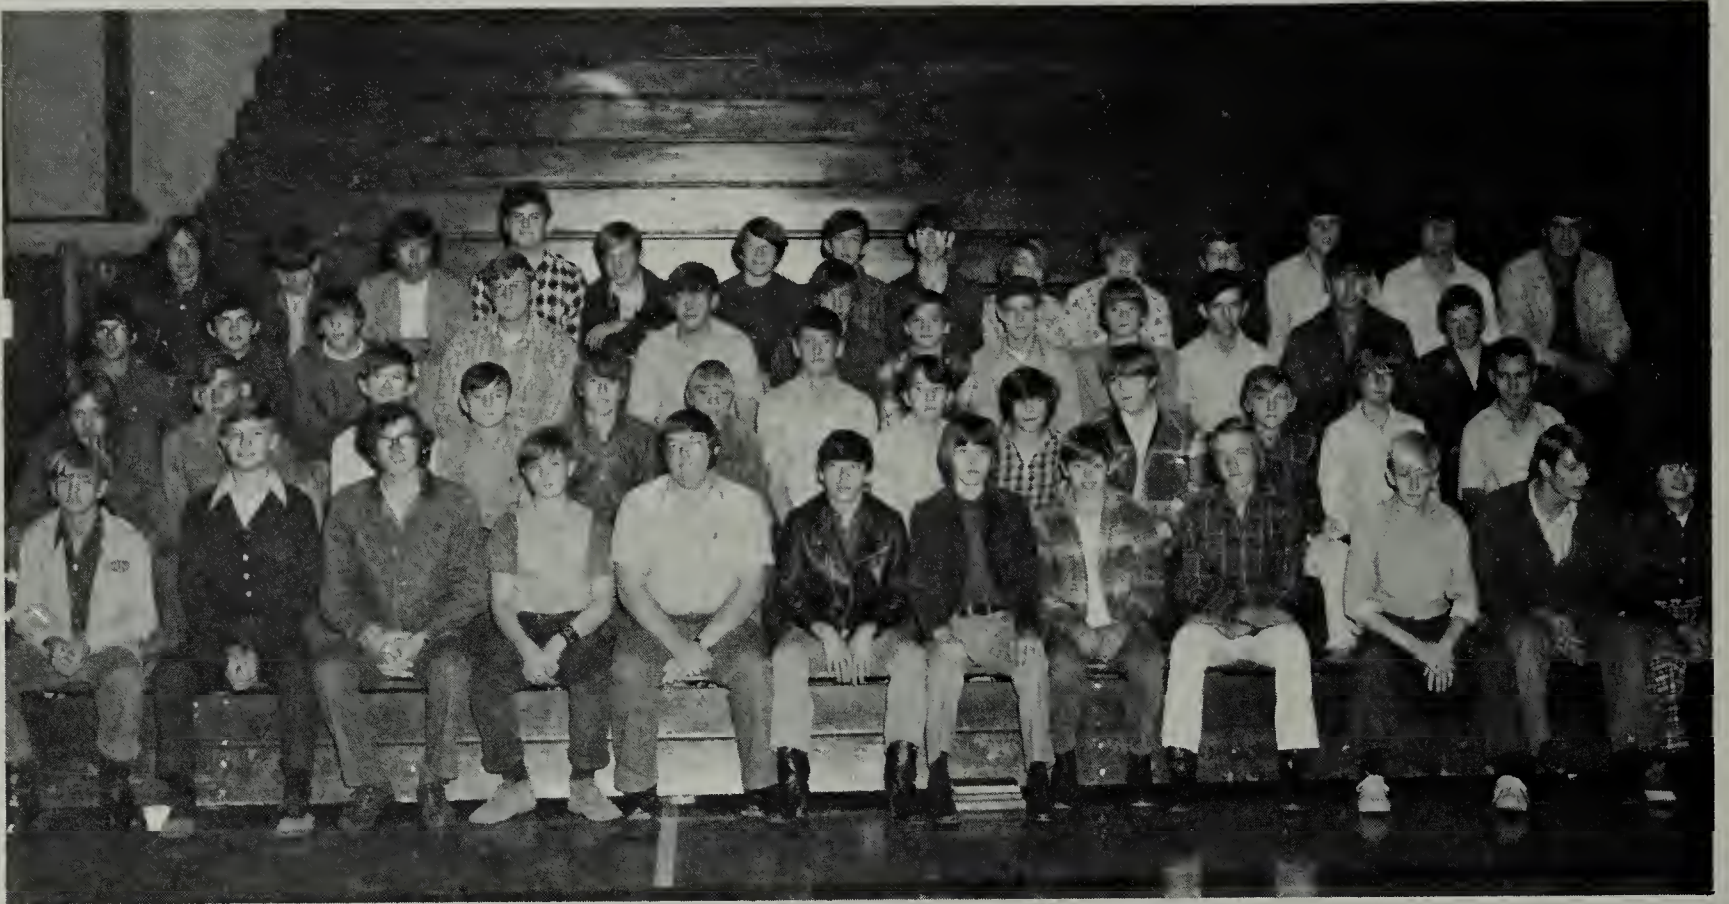

Each year members participate in public speaking, parliamentary procedure, tractor driving and trouble shooting contests; members also are active in livestock, dairy, forestry, and horticulture judging contests. Several members exhibited livestock, dairy cattle, and crops at local and state fairs. This year Battle's FFA Chapter combined efforts with the chapters from the other Washington County Schools in building a picnic area and shelter at South Holston Lake. During National FFA Week the chapter served cherry pie and coffee to the faculty, presented an assembly program for the school, and presented a radio program. Members also participated in a leadership conference, the State FFA Convention, forestry camp, FFA-FHA camp, and various other activities which include making a calendar and giving a poinsettia to the members of the faculty at Christmas.

The year's activities were highlighted by the annual Parent-Member Barbecue and Awards Program. Members with outstanding records and achievements in various fields were recognized. The highlight of the evening was the presentation of the Robert Stover Anderson Memorial Livestock Chain which consisted of giving a heifer to each of two worthy recipients.

These chapter activities were financed through the selling of peanuts, picnic tables, calendar ads, and by cleaning the football stadium.

STUDENTS

Senior Officers

As the Senior Class looks back, we see a busy year filled with many accomplishments.

Some have said we were one of the best classes ever to pass through Battle High School, and we have worked to live up to everyone's expectations.

We received a plaque for the best decorations and most spirit during the Winter Sports Festival. Included in our projects were a candle sale, a license tag sale, and the Halloween Dance. Everyone looked forward to Greaser Day, the Greaser Dance, the Prom, and of course that sad, solemn finale, graduation.

We have many memories to look back on, but more important are our future dreams becoming reality.

Before we leave, we wish to honor Mrs. Joan Dingus as the person who has had the greatest influence on us during our years at John S. Battle High School. Others who received a significant number of votes were Mrs. Lou Crabtree, Miss Rhoda Craig, Mr. Jack Garland, Mrs. Pauline Gotham, Mr. Henry Green, Mr. James Loggans, Mrs. Marlene McCall, Mrs. Phyllis Minnick, Mrs. Nancy Parker, and Mr. Randall Vance. To all of these we express our sincere appreciation.

*Mr. Smith,
Well, it's been a long
hard year - I really can't
believe it's all over! It's
been a lot of fun in your
class even though we have
had our days where
the "men" were rather
gross. All in all, it's
been a great class. I've
learned a lot, not be-
cause it was the thing
to do but because you
made it fun. Thanks
for putting up with
us. Can't forget me!

Junior Officers

This year has been full of good times and bad times, fun and hard work for the Junior class. We set our goals high and attained that height through the unified effort of the Class of '75, under the capable guidance of Mr. Jack Garland.

This year the magazine sales totaled over \$5,000 and there were those who said it couldn't be done. This is the record for John Battle on Junior magazine sales in the entire history of the school. Impossible? No, not at all.

Class rings! Even the name makes it sound important. Just ask any Junior, class rings are the symbol of coming closer to our highest goal, graduation. No wonder we are proud.

Ah, but the main event in a Junior's life is the prom with all the fancy dresses and formal tuxes. For most of us it is our first prom and it means something very special to each individual. The theme carries the thought, "We may never pass this way again."

This year is over but not gone. It will be relived again and again in our memories.

The Sophomore Class of 1973-74, sponsored by Mr. Bill Phelps, demonstrated active involvement in a wide variety of school activities. Those functions with major sophomore participation were athletic contests, forensic contests, dances, band and chorus concerts, pep rallies, plays, science fairs, assembly programs, and club field trips.

With the desire to make the school year a great one for their school, the members of the Sophomore Class willingly contributed their abilities to both curricular and co-curricular activities. In the classroom sophomores expressed their interest in learning and their desire to improve. On the football field, golf course, basketball court, and track they exhibited their sportsmanship and their desire to excel. In the the Student Cooperative Association the sophomores demonstrated their cooperation and their initiative. However, the trait most possessed and exemplified by the members of the Sophomore Class in every aspect of school life was Trojan pride.

“Wow! Where’s the lunchroom? Where is my class? Where’s anything? I think I’m lost! How will I ever manage six or seven teachers when I could hardly stand one at the elementary school? Will I ever be able to travel the miles from one class in the Mason building to another in the Main building in *just* five minutes? I hope the teachers aren’t as bad as they tell me. I’m scared! It sure feels different being an underclassmen, an eighth grade ‘baby’; only last year I was King of the elementary school, a seventh grader. No privileges now — just because I’m an eighth grader I can’t go to all the assemblies and I get blamed for all the running and paper wad throwing. Will I ever make it through this year?” These are the confused thoughts of an eighth grader, a new student at John S. Battle High School.

However, these were only first impressions; the pre-freshmen class soon became an important part of the whole student body. They became adjusted to the many procedures of high school life and soon were actively participating in club activities, eighth grade sports, the S.C.A., the band, and the many academic programs at Battle.

Eighth grader gets shot at Battle.

The 1974 PHOENIX Staff has worked hard to produce an annual that would capture the outstanding moments at John S. Battle High School. This required special help and guidance from many people. Our deepest appreciation goes to: Mrs. Janet Derting and Mrs. Pauline Gotham for their constant guidance and hard work; Mr. Jack Cross, the American Yearbook Company Representative, for his assistance throughout the year; Classic Studios for the high quality pictures they provided for us; and the Bristol Herald Courier for the sports pictures.

The following students have transferred to Battle.

Pictured (LEFT TO RIGHT): Ronald Bailey, Jimmy Counts, Diane Bailey, Karl Bowen, Cindy Bennett. *SECOND ROW*: Vickie Ritenhour, Tonya Turner, Connie Sue Burnette, Jill Coalson, Donna Kirkman. *THIRD ROW*: Jean Osborne, Wayne Peters, Mike Osborne, Robert Davenport, Johnny Lester. *FOURTH ROW*: Donald Bailey.

Smith,

I won't write you a
letter like I always do -
'Cause I really get off
on exams + answers!

really - you tell Marysue
that we'll all think about
her - we just had you for
a year - but she's stuck for
life! No seriously - you'll
go far as a teacher 'Cause
you really know how to care
about people. But I have great
faith in your future - take
care of your lovely family and
maybe the Mendota deal will
work out - we need people like
you + Marysue + Ashley in the country!

I have really enjoyed having
you this year for gov. class. In
fact it was probably the best class
I ever had. It was long but I
learned alot because it was interesting
and I wasn't forced or pressured to
learn. Best of luck in the future.
Keep an open mind forever. you
have been someone to look up to
for me and I ~~know~~ am sure I
think a little differently and a little
more because of you showing your
ideas and philosophies with me.
My mind has been opened a little
more and my horizons expanded
because of
you. Thanks.

I enjoyed Gov. class very much
and especially the Jeopardy games.

Mr. Smith,

Wish me luck in the big city - but I shall
return! I'll be over out in the country + back and
forth.

Mr. Smith,

It has really been
great having you for
my teacher, I guess
you get tired of ~~me~~
Debbie talking in class
all the time, but I guess you
never mind, because you
never told us to hog with.
Good luck in the future
with your family, and may
God bless you all.

Mr. Smith:

It has been quite a year.
Having you as a teacher was
only one of the highlights of
the year. You've really gave
me a hard way to go with
all the jokes you hit me with.
I guess that is what I get
for sitting up front. Best of
luck to you & Marysue &
Ashley. Good Luck & May
God Bless you all in whatever
you do.

Lane,

Smith,
this really won't
be a boring class, I've really
enjoyed it. You're a fine person.
This class really didn't seem like a government
class. Be good and don't bore your wife like
you did us.

Smith,
So a real weird guy, whom
I enjoyed having as my
"popardy" Teacher. Thanks
for a great year and do
not change any at all
"birdys". See ya if
there in that beautiful
Government class sometime.

Love ya,

Patty Ballmore

Mr. Smith,
I have really enjoyed
your class this year, and
speaking for myself I
learned a lot. Keep up the
good work! It was okay
playing basketball with
you this year. Take
it easy!

Mr. Smith,
you are undoubtedly
the most fantastic
teacher I've ever had.
You have definitely opened
my eyes and mind to a lot of
things that I never heard of before.
I only hope that you will
be able to be half the what I hope
to be. No matter how good I am,
your lectures were really good. You talk
even more than I do. Still, I think
you are a real teacher. May
God bless you always for the future
in your family in heaven. I'll still
pray for the world for the future.

Love Always

Mr. Smith,
your the coolest
teacher I've ever had
keep your terrific personality
and your students will always
like you. You a great teacher
I've really learned a lot in your
class not so much out of the book
but about myself and others
Thank you for being a great
teacher and wonderful person
I'll remember my second period
teacher in 50 years from now
Love you
your Student
Jenny Abel

Smith,

Well, you do trouble
me alot. But it wasn't
to bad. Some of us did
see owners can still
take it. Live in yard
have a member of
your 6th period class.
Great of luck with
next year class but
I don't thing you'll find
one class as good
as yours have been.
(GREAT is the word.)

"Polack" Cindy Zulewski;
"Gausage"

Dear Mr. Smith,
I am sorry to hear
that you are
leaving. I am
sure you will
find a good
place to live.
I am sure you
will find a good
place to live.
I am sure you
